Objectives	The main objective of the placement drive programme to provide right job for the right person in right place at the right time.

The Campus Placement Drive held on 3rd September 2024 at the A and M Institute of Management and Technology marked a significant milestone in bridging the gap between academia and industry. This report outlines the strategies, outcomes, and recommendations derived from the initiative. The placement drive aimed to attract distinguished companies, facilitate employment for graduating and post graduating students, and gather feedback for process enhancement. Participation of two prominent companies highlighted the collaborative efforts between academia and industry.

Preparation sessions equipped students with career guidance, resume building, and interview skills. Industry engagement initiatives like career fairs and employer presentations facilitated connections with potential employers. The placement cell provided personalized assistance, including resume review and interview scheduling, ensuring a smooth process. Attendance collection, recruiter detail documentation, and post-interview thank-you letters ensured efficient conduct.

The drive yielded commendable outcomes, with 21 students selected and 30 shortlisted across various companies. Noteworthy selections include Axis Bank and Maxlife Insurance. These outcomes underscore the efficacy of the placement process in providing employment opportunities for graduating and post graduating students.

Challenges such as market competition and skill mismatch were encountered. Stiff competition in certain industries and regions hindered students' ability to secure preferred roles. Additionally, skill mismatch arising from outdated course curriculum posed challenges in applying knowledge to industry demands.

To address challenges, recommendations include curriculum updates to align with industry requirements, offering specialized training programs, and expanding industry partnerships. These steps aim to enhance students' employability and diversify placement opportunities.

Strategic planning, industry engagement, and continuous improvement efforts ensured the drive's success, paving the way for future advancements in recruitment endeavours. The success of the session was applauded by Director Dr. Charu Sharma, Mr. Sandeep Sharma (Co-ordinator of IQAC), Ms. Neha, Mr. Ankush Chaudhary, Ms. Hembala, Mr. Bhuvnesh Pathania, Mr. Jatin Kumar, Ms Riya

The Job Fair held on 28th March 2025 at the A and M institute of Management and Technology marked a significant milestone in bridging the gap between academia and industry. This report outlines the strategies, outcomes, and recommendations derived from the initiative. The Job Fair aimed to attract distinguished companies, facilitate employment for graduating and post graduating students, and gather feedback for process enhancement. Participation of 28 prominent companies highlighted the collaborative efforts between academia and industry.

Preparation sessions equipped students with career guidance, resume building, and interview skills. Industry engagement initiatives like career fairs and employer presentations facilitated connections with potential employers. The placement cell provided personalized assistance, including resume review and interview scheduling, ensuring a smooth process. Attendance collection, recruiter detail documentation, and post-interview thank-you letters ensured efficient conduct.

The drive yielded commendable outcomes, with 75 students selected and 150 shortlisted across various companies. Noteworthy selections include Axis Bank, HDFC Life, SBI Card, Naveen Graphics Pvt. Ltd., PISOFT Information Tech Ltd., Excellence Technology, Reliance Nippon Life Insurance, Times Pro, Paytm, Photomax, CBA Infotech, Netcoder Technology, Maruti Suzuki, New Image Beauty, Naukri Point, Sandeepni school, IGEN solution, SFS, Career Solution Group, ShiRaJ, Brilliant Academy etc. These outcomes underscore the efficacy of the placement process in providing employment opportunities for graduating and post graduating students.

Challenges such as market competition and skill mismatch were encountered. Stiff competition in certain industries and regions hindered students' ability to secure preferred roles. Additionally, skill mismatch arising from outdated course curriculum posed challenges in applying knowledge to industry demands.
